BLUE DESERT & SOL FOREST SCHOOL **Work Exchange + Forest School Internship Opportunity**

SOL Forest School & our partner, the **Blue Desert Health & Wellness Retreat Center** in Tijeras, New Mexico, are partnering together to offer a UNIQUE internship position like no other. If you are interested in learning about and living in New Mexico for a few months, while volunteering 25 hours a week through Workaway or WWOOF USA (in exchange for room & board) AND are interested in learning about Forest School through hands-on teaching 10 hours a week, then this opportunity is for YOU!

SOL Forest School is an award-winning, all-outdoor, all-weather, year-round program for young children ages 3-10 years based in the East Mountains just outside of Albuquerque, and is seeking a Forest School Educator INTERN for the Fall Semester, 2021.

Blue Desert is a small off-grid retreat center in the high desert country of New Mexico that offers a peaceful, warm environment dedicated to fostering balance and well being in body and mind. The Blue Desert work exchange program runs year round with a wide spectrum of indoor and outdoor projects, including in the herbal labyrinth, organic gardens, or hosting program.

**Two internship positions available.
25hrs/week at Blue Desert & 10hrs/week at SOL Forest School.
Room and Board included at Blue Desert.**
